

HOME_{IN} MALLORCA

"Every home is unique, every buyer different. As a property matchmaker, I bring them together to create lasting connections between people and places."

Búger

Price € 1.200.000,-

TOWNHOUSE

A home with history, character, and room to grow.

This grand townhouse in the centre of Búger captures the true essence of Mallorca. Its high ceilings, wooden beams and stone walls tell stories of another era, while its generous layout offers endless potential.

features

- Originally build in 1900
- 250m2 usable space
- 4 bedrooms
- 4 bathrooms ensuite
- potential to make 1 or 2 bedrooms more
- Airconditioning
- second floor terrace
- Third floor rooftop
- Final de obra 2003

Every space tells a story of timeless charm and craftsmanship, where beautiful original floors and authentic details honour the home's Mallorcan heritage.

The property currently offers four spacious bedrooms, each with its own elegant en-suite bathroom, ensuring privacy and comfort throughout.

Thanks to its generous layout and flexible design, there is potential to create one or two additional rooms – ideal for expanding into a boutique hotel or offering extra guest suites.

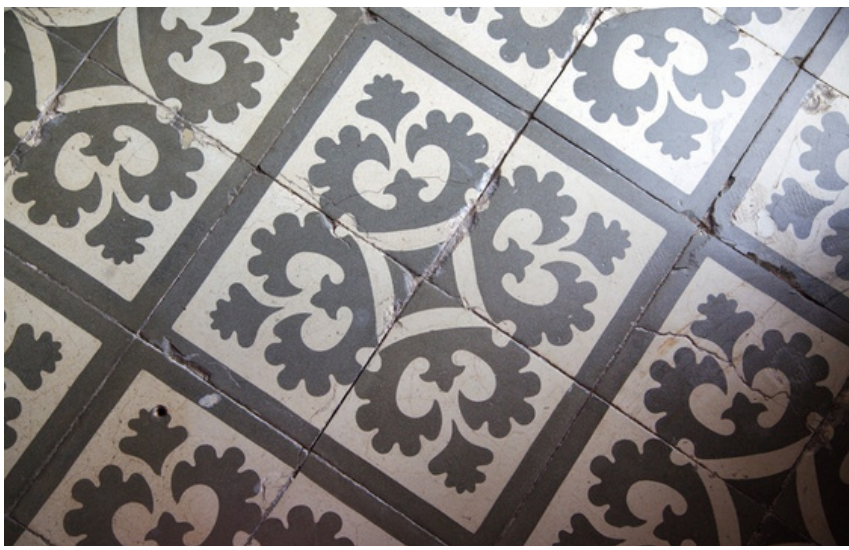

Located in the heart of Búger, this home combines authentic village charm with everyday comfort.

A lively mix of locals and international residents gives the village its warm, vibrant atmosphere – there's always something happening.

And with plenty of parking right nearby, you can enjoy all the charm of village life without sacrificing convenience.

A unique property where authentic Mallorca and new beginnings come together.
